

SNELLVILLE FARMERS' MARKET 2024-2025 EXTENDED SEASON

Snellville Farmers Market 2024 summer season vendors may apply to participate in the extended season markets, which will operate October 2024 through May 2025. The markets will be held on the **FIRST AND THIRD SATURDAYS OF THE MONTH**. Markets are 9:00 am to 12 noon in the Snellville City Hall parking lot. Dates for the markets are as follows:

- October 5 and 19
- November 2 and 16
- December 7 and 21
- January 4 and 18
- February 1 and 15
- March 1 and 15
- April 5 and 19
- May 3 and 17

Facts about the markets:

- Summer 2024 vendors will be given priority to participate. It will be necessary to limit the number of vendors due to space available in the parking lot. The maximum number we will be able to approve is about 30 per market.
- Vendors must participate in a minimum of 6 extended season markets.
- If it is necessary to limit the number of vendors approved for the extended season, priority will be determined based on several factors:
 - Priority will be given to agricultural products.
 - The number of extended season markets a vendor plans to attend.
 - History of the vendor's participation in our market, including "no-shows" at previous markets.
 - Variety of products.
- Booth space for approved vendors will be available on a first-come, first-served basis at each market. Only those vendors who must bring a trailer and/or a generator to the market will be assigned to a specific parking lot location. Trailer space is limited. In most cases vendors will be able to park adjacent to or behind their booth space.
- The vendor area will be blocked off with cones between 8:45 am and noon to prevent vehicles from driving in the market area.
- Vendors must be prepared to begin sales at 9:00 am. Vendors who consistently arrive late may be disqualified from participation.
- **No electricity is available** in the parking lot area. Vendors may bring a generator. Vendors with generators may be assigned to a space due to generator noise and exhaust fumes.
- Vendors are to let us know of any changes in their plans for participation so our vendor listings will be as accurate as possible in our newsletter and social media posts. Unless a last-minute emergency arises, notify us of changes in your plans by the Tuesday morning before the market by sending an email to snellvillefarmersmarket@gmail.com.
- All vendors must provide a certificate of liability insurance showing coverage for the Snellville Farmers Market.
- The Snellville Farmers' Market policies will adhere to the Georgia Department of Agriculture Guidelines for Food Products Sold at Events Sponsored by Non-Profit Organizations. For details regarding our market policies, please visit our website at <https://snellvillefarmersmarket.com/> and navigate to the Vendor Resource tab.

Booth Pricing:

Vendors are expected to pay in advance for all markets they will attend on or before their first extended season market at a rate of \$20 per market. We will not accept payment from market to market. Refunds are not given for markets for which a vendor has reserved space and does not attend. Payment may be made by cash, check (made payable to Snellville Farmers Market), or with a credit card with an additional 3.5% charge to cover our processing cost.
